PROFESSIONAL SUMMARY

Detail-oriented and self-driven **Frontend Developer** with expertise in **HTML, CSS, Bootstrap, JavaScript, and React** dedicated to building responsive, user-friendly, dynamic, interactive web experiences and accessible web applications. Skilled in **version control with Git/GitHub** and knowledgeable in **website deployment**. Passionate about clean code, problem-solving, and delivering high-quality web solutions.

TECHNICAL SKILLS

- **Front-End Development:** HTML, CSS, JavaScript
- **UI/UX & Responsive Design:** Mobile-First Design, CSS Animations, Flexbox, Grid
- **Version Control:** Git, GitHub
- **Deployment & Hosting:** Experienced in GitHub Pages, familiar with Netlify and Vercel
- **Debugging & Testing:** Chrome DevTools, Console Debug ging

PROJECTS

Habitique – Mobile-First Furniture & Interior Design Marketplace

- **Overview:** Designed and developed a fully responsive marketplace for furniture and interior design.
- **Technologies:** HTML, CSS, JavaScript
- **Highlights:**
 - Implemented a mobile-first design ensuring seamless performance on all devices.
 - Developed interactive UI components (e.g., image sliders, dynamic product filters) using JavaScript and React.
 - Optimized site performance and accessibility for an enhanced user experience.

Portfolio Website

- **Overview:** Built a personal portfolio site to showcase projects, technical skills, and achievements.
- **Technologies:** HTML, CSS, JavaScript, Bootstrap
- **Highlights:**
 - Integrated smooth scrolling, interactive elements, and contact form validations.

- Focused on responsive design to ensure optimal viewing across devices.
- Deployed the site using GitHub Pages for easy public access.

Gaiety – Luxury Watch Landing Page

- **Overview:** Developed a sleek and visually appealing landing page for a luxury watch brand.
- **Technologies:** HTML, CSS, JavaScript
- **Highlights:**
 - Applied modern UI/UX principles to create an elegant and professional design.
 - Ensured mobile responsiveness and smooth scrolling effects.
 - Integrated a compelling call-to-action section to boost conversions.

Digital Art Portfolio Website

- **Overview:** Created a digital art gallery to showcase classical and modern artworks.
- **Technologies:** HTML, CSS, JavaScript
- **Highlights:**
 - Designed an interactive and visually engaging layout to display artwork.
 - Implemented filtering options for different art categories.
 - Ensured a fully responsive and immersive user experience.
